

THE MAN BEHIND

KELLEY AND DUDLEY

PURE FOOD LINES

Be sure that you get food stuffs and supplies that carry the manufacturer's guarantee of quality from the factory to the consumer—things that square with Uncle Sam's Pure Food Laws. The trade knows that Kelley & Dudley lines measure up fully to all requirements, and the best grocers are ready to supply customers with any of their reliable and well-known brands. We wish to call your attention to the goods listed below. The manufacturers of same guarantees them to comply with the Pure Food Law, act of June 30, 1906, and therefore we in turn guarantee them likewise. Any retailer in the city can also stand back of these goods, therefore, you will need have no hesitancy in purchasing same. Thousands are now using these goods and consequently know what they are, and if you are one of them this message is immaterial to you. If, however, you are not now using any of these goods, you can without any hesitancy stock your pantry with them in the future, knowing that you are using fully guaranteed, healthful goods. Mr. Grocer: Look over your stock and see that nothing is missing to put you right when your customer calls.
